

ABS XPRESS 15 minute abdominal conditioning class.

BLITZ This 40 minute circuit program will fire you up! It's you against the clock as you move through stations that challenge your strength, stamina and cardiovascular system. If your short on time and need a total body workout, this is for you!

BODYATTACK This high-energy interval training class combines athletic aerobic movements with strength and stabilisation exercises. Build speed, endurance, stamina, coordination, agility and overall fitness to improve your fitness and lifestyle.

BODYPUMP The original LES MILLS barbell class will sculpt, tone and strengthen your entire body, fast! Focusing on low weight loads and high repetition movements, you'll burn fat, gain strength and quickly produce lean body muscle conditioning.

BOX Boxing reins supreme as one of the best all-round workouts, incorporating strength, conditioning, coordination and stamina. Plus, it's FUN! Inner gloves and wrist wraps are recommended (available from reception). BOX30 is 30min.

CORE Forget sit-ups, this is the ultimate abs class. Your instructor will be focusing on functional core exercises to improve tone, strength and mobility in your abdominal and back muscles. 30 minute class.

H.I.T. (HIGH INTENSITY TRAINING) An intense fitness class utilising a variety of techniques and equipment, involving sports drills and more. The ultimate in body conditioning. HIT.30 is 30min.

MMAX FIT is a unique and addictive full body workout based on a non contact combative concept. A combination of mixed martial arts moves and fitness drills using mits and kick shield, get ready for muscle burn and an elevated heart rate to build functional strength, speed and endurance.

PILATES Traditional matwork exercises developed by Joseph Pilates, focusing on body conditioning and postural alignment for strong core and stabilising muscles. All levels.

REVIVE This class is designed for over 55's to improve overall fitness with an emphasis on cardiovascular fitness, muscle strength, balance and mobility.

SPIN Bringing the outdoor elements into our indoor cycling studio. Benefits include aerobic fitness, calorie burn, lower body strength and tone. Suitable for all fitness levels! 45 min. SPIN XPRESS is 30min

SUPER CROSS Where no two workouts are ever the same, this ultimate fitness class incorporates resistance and conditioning drills in structured sets against time.

TABATA Need a short yet effective workout? Use your body weight and small props to plow through four-minute rounds of 20 seconds work with 10 seconds rest. Scientifically proven to get you results. 30 minute class.

YIN YOGA Improve flexibility and energy flow in this passive class which focuses on the fascia and connective tissue in long held postures, stimulating the body meridians and preparing you for restoration.

YOGA A Yoga class for all levels. Experience flowing and dynamic postures with a focus on breathe control, strength, balance and flexibility to condition your body and your mind. Our Yoga teachers are experienced in various styles including Ashtanga, Iyengar, Hatha and Vinyasa Yoga.

ZUMBA Pretty much the most awesome workout ever. Dance to great music, with great people, and burn a ton of calories without even realising it.

ZUMBA STRONG A high energy workout combining body weight, muscle conditioning, cardio and plyometric training moves perfectly synced to the greatest Zumba beats.

C-Life Health Club strongly recommends that you do not miss your class warm up or cool down and will not allow entry after the warmup is completed. For your own comfort please take a water bottle and towel to class. If you are pregnant or suffer from an injury or ailment we strongly recommend that you consult your health care professional before attending to determine if the class you will attend is safe and suitable for your condition. Please advise your instructor before participating if it is your first class or if you have a health condition.
